

COOL

The IS-MIX rebreather offers a high level of safety in all types of demanding environments and under even the toughest of conditions.

IN TOUGH

KEEP

INTERSPIRO has an impeccable dive safety record with similar products that have been in service for over 30 years.

The design and robustness of INTERSPIRO rebreathers result in a very low life cycle cost.

Availability, reliability and ease of maintenance ensure that INTERSPIRO rebreathers are mission ready.

A fully redundant dive system can be achieved if pairing the IS-MIX with the DPX surface supply.
