Submarine Escape & Rescue Working Group

## INDUSTRY SUPPORT 2021

Since 2005 Industry has supported the SMERWG meetings; from Brussels to Cape Town; nothing has stopped the dedicated companies from turning up and renewing relationships, showcasing new products/services and treating delegates to a delightful evening.

COVID19 put and end to the consecutive run of Industry Receptions for two years but it is hoped that the situation will improve in time for 2022.

Please have a look at this brochure and re-discover the companies who have continued to be part of the SMERWG meetings.

Hope to see you in Amsterdam  
January 2022!
